CURRICULUM VITAE

Resident Pathologist & PhD Candidate

Breast pathology · Dermatopathology · Gynecologic pathology

PROFESSIONAL SUMMARY

Resident physician in Pathology at Mureş Emergency County Hospital and PhD candidate at UMFST „George Emil Palade” of Târgu Mureş. Active in diagnostic surgical pathology with a clinical and research focus on breast pathology, dermatopathology and gynecologic pathology. Author of two volumes of a practical dermatopathology atlas; regular participant in European and national pathology congresses; member of the European Society of Pathology since 2021.

EDUCATION

October 2025 — present

PhD Candidate — Molecular Pathology

UMFST „George Emil Palade” Târgu Mureş — Doctoral School of Medicine

- Doctoral thesis: „Development of a composite prognostic score in breast cancer through the integration of three morphological factors: tumor-stroma ratio, tumor budding and tumor-infiltrating lymphocytes”.
- Research focus on molecular pathology of breast cancer, with morphological-molecular correlation of established prognostic biomarkers.

September 2014 — July 2020

Doctor of Medicine (MD)

UMFST „George Emil Palade” Târgu Mureş — Faculty of Medicine

WORK EXPERIENCE

January 2021 — present

Resident Physician — Department of Pathology

Mureş Emergency County Hospital, Târgu Mureş

- Macroscopic and microscopic examination of surgical specimens.
- Reporting of routine and complex cases (biopsies, FNAs, cytology, immunohistochemistry).
- Participation in autopsies and clinico-pathological correlation.
- Active member of multidisciplinary tumor boards (oncology, gynecologic oncology).

September 2019 — July 2020

Trainer — Department of Biochemistry

UMFST „George Emil Palade” Târgu Mureş

- Practical-work tutor for medical students in biochemistry.

September 2017 — July 2019

Trainer — Department of Histology

UMFST „George Emil Palade” Târgu Mureş

- Practical-work tutor for medical students in histology and microscopic morphology.

VOLUNTEERING

2018

Mentor — UMFST Entrance Exam Simulation

UMFST „George Emil Palade” Târgu Mureş

- Mentored prospective medical students during the entrance-exam simulation programme.

2018

Co-organizer — Asklepios Conference

Sibiu, Romania

- Participated in the organization of the Young Students and Doctors Conference.

2017

Active volunteer — TRANSMED

Medical Students Association

- Health-education and screening events for the community.
