CHAPTER I - GENERAL PROVISIONS

Art. 1. The George Emil Palade University of Medicine, Pharmacy, Science and Technology of Târgu Mureş, by virtue of university autonomy, organises the volunteer programme for students "Volunteering in the Use of the University", hereinafter referred to as the UVS acronym. This programme, offers students the setting to participate in activities related to teaching and administrative activities.

Art. 2. The quantification of a student's activity is measured in volunteer hours, hereinafter referred to as "UVS Hours".

CHAPTER II - ORGANISATION OF VOLUNTEERING

Art. 3. The organisation of the UVS is done in intervals of 4 hours/day, depending on the specificity of the activity; the schedule shall be fixed at the end of the week for the following week together with the volunteers' coordinator. The coordinator shall communicate the programme to volunteers, when establishing it for the following week, according to the needs.

Art. 4. The asset manager within Administrative Social Service centralises the locations where UVS activities are required, following the requests of the departments within the UMFST G.E. Palade Tg. Mures structure, the estimated time period and the number of volunteers requested. This requisite can be updated at any time, depending on the needs. When establishing these locations, the specificity of the activity in question shall be taken into account, so that they shall accessible to all students through their professional qualifications and quick training at the proposed site.

Art. 5. The asset manager within Administrative Social Service shall display on the www.umfst.ro site the existing vacancies.

Art. 6. The students interested shall submit to the secretariat of the general administrative directorate an application of registration which can be downloaded from the university's site, mentioning the activity for which they opt, the working time frame and a motivation in which they state the reason they wish to enrol in the UVS programme and their skills for the job they are interested in. In order to form a viewpoint on the applicants, an interview will be organised, where applicants will have to know all the documents supporting the programme.

Art. 7. A board consisting of representatives of the departments/compartments that require volunteers, a representative of the Administrative Directorare and the students' representatives is being formed to analyse the applications submitted, in order to select the students. After interviewing and expressing the point of view of the volunteers' coordinators to whom the selected students will be assigned, the students shall be distributed in the vacancies.

Art. 8. Following the selection, the students shall sign a volunteering contract under which they will carry out their work, according to their attributions. The hours performed as volunteers shall be highlighted in the daily attendance sheet.

Art. 12. The absences from the learning activities of a student due to participation in the UVS programme shall be considered as absences with leave and shall stand the recovery regime, specific to absences with leave.

Art. 13. The volunteer student is obliged to comply with the volunteering activity programme to which he/she was assigned. The absences without leave from the programme shall result, at the first deviation, with the decrease in the number of hours accumulated by 4 hours (the equivalent of a time interval), and in the second absence without leave, with exclusion from the programme.

Art. 14. Throughout the activity, the volunteer student shall comply with the activity rules specific to the volunteering and will be directly responsible for the activities he/she carries out. Responsibility shall also cover any potential property damage that he/she may incur through the misconduct or non-fulfilment of volunteer tasks.

Art. 15. In special situations, with the consent of the volunteering coordinator, the volunteer student may change the schedule in which he/she was scheduled, with another colleague assigned in the same volunteering programme.

Art. 16. Based on the scheduled work programme, the volunteer shall sign the attendance sheet on arrival and departure daily, according to the annex to the volunteering agreement, and on the basis of these sheets, the volunteer hours should be centralised at the end of the month.

CHAPTER IV. THE OBLIGATIONS OF THE COMPARTMENTS/DEPARTMENTS INVOLVED

Art. 17. Within the first 5 working days of each month, the volunteers’ coordinators shall submit to the Administrative Social Service the situation of the students participating in the UVS programme in the previous month. This report shall contain nominal information related to the number of hours worked, the days and the timeframe in which they were worked. These situations shall be the basis for highlighting the hours as a volunteer and for keeping records of absences.

Art. 18. At the signing of the volunteering contract, the voluntary student undertakes to submit the certificate issued by the family physician stating that he/she is fit from the medical point of view for the activity he/she carries out. If additional documents (medical examinations, etc.) are required for carrying out certain activities, the volunteer undertakes to present them.

Art. 19. The volunteers’ coordinators shall be responsible for training students to perform volunteering activities, for assimilating them in their daily work and for setting their schedule. Art. 22. The volunteers’ coordinators under the authority of whom the volunteer student performs, shall make a short description on a monthly basis and shall appreciate the volunteer student’s activity through qualifiers (weak, satisfactory, good, very good).

Art. 23. The volunteers’ coordinators shall countersign and closely check the attendance sheet signed by the volunteer student on arrival and departure.

CHAPTER V - SELECTION OF VOLUNTEER STUDENTS

Students who have not been selected following the applications, but wishing to participate in the UVS programme, shall remain on the waiting lists.

Art. 28. The selection board of the volunteering students has the right to refuse the enrolment of a student in this programme or to have him/her excluded from the programme if it is considered that his/her academic record does not allow him/her to carry out both activities simultaneously or because of indiscipline or of failure to meet school obligations.

CHAPTER VI - OTHER PROVISIONS

Art. 29. The duration within the UVS programme depends on the needs of the University, respectively, of the volunteering, where the volunteer student has been assigned to. Restricting the activity of a volunteering or filling a post with contractual staff automatically terminates the relationship with the student. Where possible, solutions shall be sought to provide the student with another alternative.
Art. 30. The duration within a UVS programme shall be established in the volunteering contract according to the requested activity. Where applicable, shorter, time-limited or specific actions may be accepted.

Art. 31. Depending on the student’s option, the UMFST G. E. Palade Tg. Mures can provide meal tickets at the UMFST G. E. Palade Tg. Mures canteen, or a subscription to the fitness club.

Art. 32. The termination of the collaboration in the UVS programme can be done with a 15-day notice given to the student or brought to the attention of the volunteering coordinator by the volunteering student. The notice period does not apply in case of termination of the collaboration on disciplinary grounds (see Art. 13).

The University Board of the University of Medicine, Pharmacy, Science and Technology of Târgu Mureș, has approved the present regulation on the 29 July 2019 and the date of its enforcement is 30 July 2019.
