CHAPTER I. General provisions

Art. 1. The George Emil Palade University of Medicine, Pharmacy, Sciences and Technology of Târgu Mureș (UMFST) organises competition for the admission in the master's degree cycle.

Art. 2. In accordance with the mission and strategy of the George Emil Palade UMFST, as well as with the requirements of the labor market, an admission competition is organised for accredited master's degree programmes.

Art. 3. (1) The admission to the master's degree cycle is organised by the George Emil Palade UMFST based on the current methodology developed in accordance with the framework-methodology approved by Order No. 3693/2024/February 1, 2024 for the approval of the Framework Methodology regarding the organization of admission to higher education in the cycles of short-term university studies, bachelor, master and doctorate studies; - approved by the George Emil Palade UMFST Senate.

(2) The admission process may also include a pre-admission session organized according to the Operational Procedure regarding how to carry out the pre-admission process for master's degrees.

(3) The admission of Romanians everywhere, as well as of the citizens from third countries to the European Union is made on the basis of the methodologies specially issued by the Ministry of Education and Research (MER) and of the university own procedure.

CHAPTER II. Organisation of the admission

Art. 4. The admission competition is organised on full-time education for accredited master degree programmes.

Art. 5. The admission to master's degree programmes is held in the language of instruction of the graduate study programme.

Art. 6. Upon admission to master's degree studies with teaching in languages of international circulation, candidates who do not present study documents, required for registration, issued by educational institutions in Romania or abroad, with teaching in the language of international circulation, can obtain the certificate of linguistic competence for the language of international circulation within the Center for Applied Linguistic Research and Cultural Studies (CCLASC) of the George Emil Palade UMFST or from other competent institutions.

Art. 7. (1) The competition for admission to the master's degree programmes belonging to IOMS for all forms of education is organised in identical conditions, in compliance with the provisions of the applicable normative acts and the current regulation.

(2) The competition for admission to the master's degree programmes can be organized, as a rule, in two sessions, in identical conditions, before the academic year starts, but no later than September 30.

(3) The periods of the admission sessions, the forms and the competition tests are made public, at least 6 months before the admission test, by posting on the admission website at www.umfst.ro.

Art. 8. In order to coordinate the preparation, organisation and development of the admission competition, a technical admission committee for written / oral exams and subcommittees for the analysis and settlement of appeals is appointed, at the proposal of the deans and with the approval of the vice-rector IOMS, validated by the Administrative Board by the rector's decision.
CHAPTER III. Candidates for admission

Art. 9. (1) All graduates holding a bachelor's degree obtained in Romania or equivalent have the right to participate in the admission competition for master's degree cycle, regardless of the year of graduation of the bachelor's programme.

(2) Candidates who can participate in the pre-admission can be:
   a) students in the last year of undergraduate studies who will promote bachelor's exam in the current year, to be admitted to the master's program chosen after passing the exam according to the topics and completing the registration file with the certificate proving the passing of the bachelor's exam;
   b) candidates holding a bachelor's degree from previous years.

Art. 10. The citizens of the member states of the European Union, of the states belonging to the European Economic Area and of the Swiss Confederation are allowed to participate in the admission competition of the master's degree cycle, under the same conditions provided by law for Romanian citizens, including tuition fees.

Art. 11. (1) Citizens of the Republic of Moldova, upon registration for the admission competition must prove their Moldovan citizenship and permanent residence in the Republic of Moldova, according to the identity documents if they are applying for the special places allocated for the Republic of Moldova. In the case of dual Romanian-Moldovan citizenship, the candidates will opt for one of the citizenships with which they want to participate in the competition and this option cannot be changed during the admission of the respective academic year.

(2) Candidates who opt for the places reserved for the Rroma ethnic group will bring a signed and stamped recommendation issued by a legal organisation of the Rroma ethnic group, which certifies the candidate's affiliation to this ethnic group. The distribution of budgeted places for Rroma candidates will be done according to those submitted by MER (Ministry of Education and Research), including regarding the request for additional documents necessary to occupy this budgeted place.

Art. 12. Candidates for admission occupy the places approved for the first year in descending order of the general admission averages.

Art. 13. The total number of candidates declared admitted may not exceed the maximum number of students who can be enrolled, approved for each field of master studies.

Art. 14. A candidate can simultaneously participate to the admission competition in several fields / study programmes within the George Emil Palade UMFST of Târgu Mureş or of different higher education institutions, but can be admitted and enrolled as a student at a maximum of two study programmes at the same time, regardless of the study cycle and the higher education institutions that offer them.

Art. 15. (1) A candidate declared admitted may benefit from funding from the state budget for one single master's degree programme in compliance with the legal provisions in force.

(2) Candidates who have benefited wholly or partly from funding from the state budget have the obligation to declare on their own responsibility in the enrolment application the year of graduation, the study programme (master's degree) and the university where they held a budgeted place and the number of semesters in which they benefited from a place financed from the state budget or place financed by George Emil Palade UMFST.

Art. 16. The candidate declared admitted to several study programmes within the George Emil Palade UMFST or other universities opts for the study programmes financed from the state budget, by compulsory submission of the bachelor's degree / certificate of recognition of the diploma / certificate of the university study cycle previously graduated, as the case may be, in original, at the program he / she wishes to follow, respecting the submission deadline established by the George Emil Palade UMFST admission calendar.
Art. 17. Candidates declared admitted, according to the deadline set in the admission calendar, must confirm the place they obtained by signing the master's degree study contract. The places for which there are no confirmations, after the expiration of the term, will be made available, open to be occupied by redistribution or by a new admission competition, in accordance with those established in the admission calendar.

CHAPTER IV. Carrying out the admission competition for the master's degree programmes
